## MEMBER CODE OF CONDUCT

Members have joined the Briddell Foundation with the goal of fulfilling the purpose of the Foundation as outlined in the Constitution. With this role comes a great responsibility for members to serve each other and the public with integrity.

As representatives of the Foundation, we all must practice honesty and integrity in fulfilling our responsibilities and comply with all applicable laws and regulations.

The Expectations of Membership embody aspirational ethical standards. The aspirational ethical standards describe the conduct that individuals strive to uphold as Foundation members. Although adherence to the aspirational ethical standards is not easily measured, conducting themselves in accordance with these ethical standards is an expectation that members have of themselves as members of the community and the Briddell Family Foundation. Among the aspirational ethical concepts which these Expectations of Membership embrace are those of respect, responsibility, fairness, and honesty.

- Conduct myself so as to reflect credit on the Foundation.
- Promote the Foundation and encourage the participation of Partners in Education and new members.
- Maintain an active membership status by renewing membership dues annually.

Tender my resignation from membership if I am, or become, unable to serve in accordance with the provisions of this commitment.

Any violations of these expectations will be dealt with on a case-by-case basis and could result in membership expulsion from the Briddell Family Foundation
