

Student Member

Roles and Responsibilities

Student members may earn service learning credit hours where accepted for their participation in Foundation activities.

As a Student Member You Will

Attend Monthly Meetings

Attendance helps to build leadership skills, develop an understanding of how official business meetings are conducted and increase awareness of the Foundation its mission and activities

Serve on Committees

Serve in an appointed member role or assist in one or more of the following positions Interactive media coordinator, newsletter editor or webmaster

Assist with Philanthropic Services

Volunteer to assist in in one or more of the three service areas in which the Foundation focuses Humanitarianism, Benevolence and Scholarship

Student membership is open to all high school students and currently enrolled undergraduate students. Students are encouraged to maintain a minimum GPA of 2.5

Students will benefit from networking with other foundation members and a wide array of professionals. They will be able to engage with other like minded individuals as they enhance and grow their professional development skills while they progress through school and on into their desired careers.

Membership offers networking events, volunteer opportunities and access to key resources that will open doors as you begin your professional journey.

For questions about student membership, or how to gain credit for your service learning hours please contact the Briddell Family Foundation secretary at BriddellFoundation@gmail.com
